AVC Corporate Advisory Services is an innovative up and coming company that aims to partner with you to provide practical and comprehensive training solutions and advice. Our passion is **skills development** focusing on the Training & Development. We are **accredited with the LGSETA** to provide training for various programmes including:

Municipal Finance Management, Public Finance Management and Administration and National Certificate Local Economic Development.

We are also accredited by National Treasury as a training provider. We provide training to assist Municipalities and Municipal Entities to reach the

prescribed minimum competency levels.

In order to facilitate the successful implementation of the regulations and rollout of the training programme, National Treasury have invited suitable training providers to offer quality training on all the unit standards covered by the regulations.

Our accreditation can be verified on the National Treasury website on the link: <http://mfma.treasury.gov.za/Trainin gandValidation/Pages/TrainingProvidersandModules.aspx>

Minimum Competency Requirements

The minimum competency regulations require Municipal Managers, CFOs, CEOs, Senior Managers, Heads of

Supply Chain Management and Middle Managers to be competent as per the regulations.
